ATLANTA--([BUSINESS WIRE](#))--[NCR Atleos](#) Corporation (NYSE: NATL) (“Atleos”), a leader in expanding self-service financial access for financial institutions, retailers and consumers, today announced that [Chime](#), the #1 Most Loved Banking App^{TM1}, has expanded its relationship with Atleos, entrusting its brand and cardholder experience to ATMs within Atleos’ [Allpoint Network](#) at more than 4,000 Walgreens stores across the country.

Atleos’ Allpoint Network has provided reliable, secure, and scaled fee-free ATM access for Chime members since 2021. Today, Chime offers its members a network of more than 50,000² fee-free ATMs, provided by Atleos’ Allpoint Network. Beginning in August, Atleos will begin branding ATMs at 4,000 Walgreens stores with the award-winning Chime brand to build greater awareness with consumers.

“We are delighted to expand our relationship with Chime,” said Stuart Mackinnon, COO of Atleos. “It will be easier than ever for Chime cardholders to identify and use fee-free ATMs to access cash.”

“Our members love the mobile-first convenience and ease of Chime, but they still expect convenient, fee-free access to cash,” said Nick Fairbairn, Vice President of Marketing for Chime. “This partnership with Atleos has ensured our members have easy access to cash when they need it by simply stopping into their local Walgreens and even shopping for everyday essentials while they’re at it.”

About Chime

Chime is a financial technology company, not a bank, founded on the premise that basic banking services should be helpful, transparent, and fair. Chime aims to profit with consumers, and not from them and has a business model that doesn’t rely on consumer fees such as overdraft, monthly service, or minimum balance fees.
